## **Calor and Peachman Team Up to Offer Huge Savings to Caterers**

***The UK's leading supplier of LPG has teamed up with a national supplier and installer of commercial catering equipment, to offer incredible savings for off-mains hotels, pubs and restaurants looking to upgrade any of their kitchen equipment.***

For a limited period, customers switching to Calor, whether they currently have an oil or LPG heating system, will get a massive 500 litres of LPG absolutely free.

In turn Peachman is offering savings totalling more than £4,500 on Falcon LPG catering equipment, including the Falcon Six Burner Gas range (rrp £2,725 now **£1,197**), the Twin Basket Fryer (rrp £3,445 now **£1,540**) and the Radiant Chargrill (rrp £3,080 now **£1,608**).

All of these offers expire on Tuesday May 31<sup>st</sup> 2011.

### **Reasons to switch to Calor LPG:**

- Calor LPG is a versatile fuel suitable for heating, cooking, hot water, al fresco dining and even generating electricity with Combined Heat and Power technology.
- It's the cleanest fuel available in off-mains gas area<sup>1</sup>
- There is emergency back-up 24 hours a day, 365 days a year, across mainland Britain
- Calor tanks can be installed underground, out of sight of customers, and be fitted with auto-ordering technology.

### **Reasons to choose Falcon and Peachman catering services:**

- Falcon is the UK's leading manufacturer of commercial cooking equipment, so it's a name you can trust
- The first UK foodservice manufacturer to attain the internationally recognised ISO9001 standard
- Professional installation, servicing and design courtesy of Peachman
- Free delivery
- 12 months parts and labour warranty
