Alex Flokkas joins Geze UK as Specification Manager

GEZE UK has demonstrated its commitment to specifiers and architects with the recent appointment of Alex Flokkas who joins the renowned manufacturer of door and window control systems as Specification Manager covering the south of England.

Alex will focus on collaborating with and supporting architects and end users providing technical solutions for all GEZE products, ensuring compliance with all the latest legislation and regulations. He will be the first point of contact at all stages of the specification process.

With over 20 years in the construction industry with a focus on windows, doors and the glazing sector Alex brings a wealth of knowledge. Previously he has assisted architects, contractors, and end users with high-end prestigious projects from residential new builds to Grade I or Grade II listed buildings.

Said Alex 'I am excited to join a global and well-established company which is 160 years' strong. GEZE's work culture and values are key to its success and I am thrilled to join a business that mirrors my own values and principles.'

Richard Richardson-Derry, National Specification Manager added 'It's great to have Alex join the team; he has vast experience in the industry. He will be a great asset to the company and an important part of the company's continued growth.'
