

**Press Release**  
**March 26<sup>th</sup> 2024**

## **Discover the timeless elegance of John Lewis of Hungerford**

*For over five decades, John Lewis of Hungerford has been synonymous with unparalleled quality and bespoke design in the realm of kitchen and bedroom furniture. Established in 1972, this iconic British brand revolutionized the industry with the introduction of the first painted kitchen cabinetry in the UK, setting a new standard for elegance and style.*

**A Commitment to Craftsmanship** At the heart of Hungerford lies the flagship showroom of John Lewis, a place where tradition meets innovation. Each piece of furniture is a testament to the meticulous craftsmanship that goes into its making. From the selection of the finest materials to the final brushstroke of their signature paint, John Lewis of Hungerford ensures that every detail is perfect.

**Designing Dreams into Reality** John Lewis of Hungerford is not just about furniture; it is about creating spaces that reflect the individuality and style of each customer. With a wide range of door styles, internal storage options, and the latest appliances, complemented by a palette of stunning colours, they turn the dream of a perfect home into a beautiful reality.

**Sustainability and Style** In an era where sustainability is key, John Lewis of Hungerford leads by example, ensuring that their processes and products are as environmentally friendly as possible. This commitment to sustainability, combined with their timeless designs, makes John Lewis of Hungerford a pioneer in the furniture industry.

For those who seek the finest in design, quality, and sustainability, John Lewis of Hungerford remains the quintessential choice for creating a home that is both beautiful and responsible.
