Vortice Unveils Exciting Plans for MCE 2024

Vortice, a leading name in innovation and quality in the ventilation industry, is thrilled to announce its upcoming participation in MCE 2024, set to be a groundbreaking event for the company.

With great anticipation, Vortice will be showcasing its prowess with not one, but two booths at MCE 2024. The first booth will serve as a comprehensive display of Vortice's extensive product range, featuring all solutions from the Group. The second booth will be dedicated to honouring and celebrating an impressive 70 years of Vortice history, highlighting the company's journey of excellence and progress.

In addition to this exciting showcase, Vortice is on the brink of unveiling its brand-new Group website.

This meticulously crafted platform will not only narrate the company's rich history but will also serve as a hub for its top-notch ventilation and air treatment solutions. With direct links to explore each product range, the website promises to be a valuable resource for industry professionals and enthusiasts alike.

Stay tuned for the official announcement and get ready to discover all that Vortice has in store for you at MCE 2024!
