

Press Release
April 8th 2021

M&M Timber appoint new managers

M&M Timber are proud to announce that they have made two new appointments to the positions of Operations Manager and Product Design Manager.

Stephen Bailey has joined M&M as their new Operations Manager. He has a wealth of operations experience to manage the manufacturing plant at Clows Top in Worcestershire.

Jacob Evetts has been appointed Product Design Manager. He joined the business in 2020 and will be based at the Head Office at Clows Top in Worcestershire. He will be responsible for product development across the timber portfolio utilising his wealth of experience and knowledge of the sector.
