## **The Safety Letterbox Company Wins Top Supplier Award**

***On November 3rd, The Safety Letterbox Company, a leading innovator in secure mail and parcel delivery solutions, celebrated a momentous win at the inaugural Love to Rent awards for the Build to Rent sector. Shortlisted for the coveted 'Best Supplier to the BTR Industry' category, the company emerged as the proud winner.***

This triumph underscores The Safety Letterbox Company's commitment to prioritizing the well-being of residents, architects, developers, designers, and building managers in every BTR project. In a sector defined by constant change, the company's dedication to continuous innovation and substantial investment in research and development positions them at the forefront, ensuring they provide top-tier advice, products, and service.

As regulations for fire, safety, and security gain prominence, The Safety Letterbox Company's mail and parcel boxes set the benchmark for tested and certified quality, contributing to enhanced building safety. Recognizing the importance of not only functional excellence but also aesthetic appeal, the company excels in creating bespoke designs that seamlessly complement

any development.

For inquiries or expert assistance in developing an optimal parcel strategy for your next Build to Rent project, The Safety Letterbox Company invites you to get in touch. Discover how they can add real value to your development.
