## **Servaclean cocktail stations for your bar**

***Making the perfect cocktail can be demanding on your bar operations without the correct equipment which is why a Servaclean cocktail bar station provides the perfect solution to maximise efficiency and increase profitability.***

They have designed every component with the bartender in mind, so you have everything in easy reach to make the perfect cocktail.

Regardless of whether you run a local pub, an exclusive high street cocktail bar or a national chain of restaurants, hotels and event venues, your bar staff, mixologists and customers will get the best experience from your bar. Utilising Servaclean's free bar design and planning service the high-quality stainless steel cocktail bars are individually planned and designed to fit within the interchangeable BARFFrame bar counter system or can be a freestanding cocktail station unit to enhance and improve your existing operations.

If you would like to know more about any of Servaclean's services, including free bar planning and design, or its fitted bar equipment, please do not hesitate to get in touch with one of the team on 01274 390038.
